Kathleen –

Here's a more boiled down revision than the hardcopy I gave you this morning, showing the spots where we were not entirely comfortable with OECA's edits, and how we propose to resolve those differences.

I'm cc'ing Tom so that he can give this a quick once-over to make sure that we did not inadvertently introduce any new inaccuracies. I'll share it with the rest of the team after you both have ok'd it.

-Kathy
